Description

A charming 19th century antique elm lambing settle with a scumbled finish. The antique settle has a high panelled back rest, with a solid plank seat, raised on shaped sides. A particularly fascinating antique settle, with brilliant texture and colour throughout. Item Ref; M-3782 . DIMENSIONS: Height – 143cm / Width – 142.5cm / Depth – 48.5cm / Seat Height - 44cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and stains to the seat (pictured), also some fading to the arms (pictured). There are splits to the bottom of both side panels (pictured). There is evidence of historic woodworm to the back, however this is now long gone and has been fully treated as a precaution. The antique settle remains structurally solid and sound. Overall, a neat example. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item. .
