Description

Gents 1960s Avia wrist watch, model 10006. The watch has a Swiss 17-jewel hand-winding movement, the Peseux 320, which is working nicely. The watch measures 33mm diameter excluding the winding crown and the lugs. The main body of the case is gold plated while the case back is stainless steel. The front of the case is in good condition, the back has some rubbing next to the winding crown. The lens is in good condition. The signed dial is in its original finish, it has light marking across it. Original hands and a subsidiary seconds dial. A new leather strap has been fitted. The watch comes in a new presentation box.
