Description

This is a rare and wonderful large silver shoe hallmarked for Chester 1908 makers mark George Nathan & Ridley Hayes. The floral embossed decoration to the outside is in fantastic condition and the hallmarks are clear. The front is decorated with a textured bow. The heel has been made in two parts so both parts are marked with the lion passant and the date letter. The heel has a couple of dings, please see pictures and the sole is also showing signs of wear. I have left the inside as I have found it and left any further cleaning to a new owner. L 20 cm H 10 cm W 6 cm Weight 170.7 g
