Description

This GEORGIAN COPPER BAIN MARIE, engraved to one side with the initials HAH, dates from around 1830. It is well made with keyed seams at each corner and good, strong handles. The condition is good with no repairs. To give some idea of scale it has been photographed with a regular sized wine bottle. This BAIN MARIE has many uses as well as cooking. It can be filled with ice and used as a bed for a fresh seafood display or for chilling wine. Equally, when filled with flowering plants or flowers it would make a very attractive focal point in any room.
