Description

Antique 1911 Swiss silver pocket watch. The watch has a good quality 15 jewel Swiss stem-winding movement with swan neck regulator which is working well. The movement is protected by an inner hinged cover. The watch measures 50.6mm diameter excluding the winding stem and the loop. The case is silver and has Birmingham hallmarks for 1911 with the case makers mark for the Dennison Watch Case Company. The case has light surface marking and some wear to the engine turned detail on the back but overall it is in nice condition for a 1911 piece. The watch glass is in nice condition. The dial is in nice condition. The watch has its original blued steel hands. The watch comes in a new presentation box.
