Description

Antique 1903 Waltham Traveler pocket watch. The watch has a seven jewel stem-winding movement which is working well. The gilded movement has a Breguet hairspring for enhanced precision and the plate is fully signed and has the serial number, 12970107, which dates it back to 1903. The movement is protected by an inner cover. The watch measures 50mm diameter excluding the winding stem and the loop. The case is the gold plated .and is the Star model made by the Dennison Watch Case Company. The case is in lovely condition with just light rubbing to the engine turned detail on the back, nothing serious at all. The watch glass is in nice condition. The signed dial has several very faint hairline cracks although not noticeable to the naked eye but otherwise it is in nice condition. The watch has its original blued steel hands, The watch comes in a new presentation box.
