Description

Antique silver Visible chronometer grade pocket watch. The watch has a high grade chronometer grade movement with 21 jewels, seven adjustments and a swan neck micro regulator, which is working nicely. The movement is signed Visible, a brand name registered in 1922 by Arnold Bouverat-Jobin of Les Breuleux in Switzerland. The movement is protected by an inner hinged cover which is inscribed with initials and the year 1927. The watch measures 50mm diameter excluding the winding stem and the loop. The case is silver and there are hallmarks for Birmingham 1926 with a case maker's mark for Aaron Dennison. The Dennison Watch Case Company was a prolific manufacturer of cases, supplying various watch manufacturers. The case is beautiful condition. The glass lens is also in lovely condition. The dial is in super condition. The watch comes in an antique presentation box from Webber of London and Plymouth.
