Description

A superb German solid silver tea cup. They have been hallmarked with the German 800 standard mark along with a makers mark AV. I would date it to c1920. It has been nicely designed being lightly hand plannished inside. It is in superb condition being free from dings splits inscriptions and repairs. It measures approx. 3 inches (7.7cms) tall to the top of the handle by 4 inches wide including the handle (2.5 inches excluding it) and weighs 84 grams. A beautifully made piece.
