Description

A beautiful French solid silver hip flask funnel. It is hallmarked with the French weevil export mark along with other marks. I would date this piece to c1900. It tests a high grade silver. It has been beautifully designed being embossed with 18th century scenes. It is in super condition being free from dings splits holes and repairs. It measures approx. 2.75 inches (7.2cms) tall by 2 inches (5cms) wide excluding the handle and weighs 26 grams. A very high quality example.
