Description

A Georgian Flame Mahogany Chest on Chest This superb piece of furniture dates from around 1830, it is was a greatly favoured piece because of the great amount of storage it gives. The chest stands on bracket shaped feet, the base section has two long drawers and the upper section is the normal two short over three longer graduated drawers. The top of the piece is set off with an elegant moulded cornice. The drawers are cock beaded as you would expect, the handles and escutcheons are in pierced brass. The chest has a wonderful patina, there have been a few very minor repairs over the years but they are very well done and difficult to spot. There is a small piece of wood missing at the back on the left hand side but it is hard to see. A superb piece of Country House Chic and it is not too tall and would look superb in a country cottage. The chest stands 64" high it is 36" wide and 21" deep. DELIVERY OF THIS PIECE TO ALL OF MAINLAND ENGLAND AND WALES IS INCLUDED IN THE PRICE. Delivery times vary from 7 to 28 days.
