Description

A lovely clean mantel clock in a well figured and beautifully polished walnut case. A contrasting silvered chapter ring with black Arabic numerals and silvered hands all enclosed by a chromed bezel with convex glass and standing on four bun feet. The 8 day, lever escapement movement strikes the Westminster-Chime tune on the quarters and the hour. It strikes on rods giving a lovely crisp, resonating tone. It is fitted with a STRIKE/SILENT facility. A very smart little clock. All cards accepted.
