Description

A superb George III style button back wing chair, upholstered in green leather. The chair is in need of some minor restoration to the seat as the webbing has snapped and some replacement buttons are required for the leather on the seat. Otherwise the chair is in excellent condition and is very sturdy and the leather is in good order too, with a lovely patination. The chair is also very useable as it is and has a deep and wide seat, which is very comfortable. Seat measurements - Height 44cm x Width 54cm x Depth 58cm
