Description

A good example of a small solid silver tray. It is a simple design with rounded corners and a reeded edge. It is stylish and good quality, weighing approximately 175g. It is clearly hallmarked for Sheffield, 1912 and the maker William Hutton & Sons Ltd. It is in good condition for its age. There are some faint surface marks and light surface scratches but no major damages and it displays well. It has been gently cleaned and polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK delivery £5, rest of the world £25.
