Description

A beautiful Swiss solid silver egg cup and saucer. It is hallmarked with the 800 standard mark along with the makers mark of Jezler, I would date it to c1940s. It has been superbly designed incorporating a saucer to its base and is in superb condition being free from dings splits and repairs. It measures approx. 2 inches (5cms) tall by 4 inches (10cms) across the saucer by over 1.75 inches (4.7cms) across the cup and weighs 66 grams. A beautifully made piece.
