Description

This is a striking solid pine garden table. Hard to date exactly but looks to be early 20th century. The weathered appearance and its bold design is what makes this so attractive. The top is made up of three very wide and thick pine planks. The base is solid as well, with a centre stretcher. Making the table as you can expect very heavy. Ideal for use outside and would easily sit 8-10 people. Height 77cm Length 260cm Depth 102cm Price includes UK mainland delivery
