Description

This is a fantastic top of the range Solid 14ct gold gents pocket watch by the premier Swiss maker IWC. The high grade 17 jewel gold plated movement is just superb, as you can see it is in fabulous like new condition. With jewels set into gold chatons, bevelled edge plates and micrometer adjustment this is a movement that would delight any watchmaker. The ivory and gilt sub seconds dial is in superb near mint original condition. The beautifully chased and decorated solid 14ct gold case is slimline which means it easily slips into your pocket and the back and sides of the case has the most amazing chasing and decoration that oozes quality. Very much of the Art Deco design with a slim line case and art deco dial. It comes with its original box and chain. The watch case is full size at 50mm in diameter. IWC are known as "The watchmakers watch" one of the most respected of all Swiss watch makers and this watch certainly has that understated elegance and attention to detail that whispers class. The watch has just been fully overhauled and serviced. It has been fully authenticated and found to be a genuine IWC in all respects. This watch has been fully and professi...
