Description

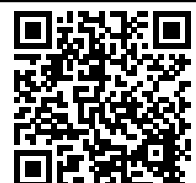

A superb early 19th Century antique Welsh oak dresser base. The antique Welsh oak sideboard has an arrangement of three drawers, over three blind panel cupboard doors, each with brass handles. The central cupboard door opens to reveal a single shelf interior, whilst the other two open to reveal a neat storage space. Raised on stile feet. The antique Welsh oak dresser base has brilliant colour and patina throughout. Item Ref; M-3844b . DIMENSIONS: Height – 89cm / Width – 148cm / Depth – 53cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches, stains and shrinkage to the top (pictured). There is evidence of historic woodworm, however this is now long gone and has been fully treated as a precaution. The antique Welsh oak dresser base remains structurally solid and sound, with drawers running well. Overall, a well presented 19th century sideboard.
