Description

A beautiful and very useful walnut two door cabinet in the antique Queen Anne style, made in England & dating from around the 1930's period. It is very well made and is a very practical size. There are stunning figured walnut grain patterns throughout, and it has a beautiful, rich colour tone. This sits on cabriole legs with acanthus leaf carving at the knees. There is a locking key that comes with this, and a single internal shelf. This cabinet doesn't take up any more room than a console side table, but is far more useful if you are tight for space. We have had this recently re-polished, the condition is excellent for its age. Width – 39 inches , 99 cm Depth – 17 inches , 43 cm Height – 31 inches , 79 cm
