Description

BEAUTIFUL VICTORIAN SOLID BRASS CANDLESTICK TABLE LAMP c1880 This is a fabulous opportunity to acquire a solid brass Victorian table lamp dated to around 1880. Originally a candlestick with the wonderful balaster design, it has been converted into a table lamp. It is in excellent condition with the brightness of the solid brass yet retaining the patina which you would expect of a genuine Victorian piece, it is also very heavy. It has just been rewired by a fully qualified electrician so is ready for immediate use. This is a beautiful genuine piece and not to be confused with reproductions. If you would like further information please contact Andrew and Lynn Wilson of Fowey River Antiques, Cornwall on 01726 813155 daytime and evenings, we are open 7 days a week! The lampshade is not included as people would much prefer to choose their own. Delivery for this item within England, Wales and Scotland is £15, unfortunately we are unable to post to Northern Ireland.
