Description

GENUINE BRONZE TABLE OR DESK LAMP BY HANDEL c1900 This is a fabulous opportunity to acquire a genuine bronze table lamp dated to around 1900. Philip Julius Handel was one of the most sought after makers of Art Nouveau and Art Deco period lamps and shades along with Tiffany. It is tall and slender with a textured finish most commonly associated with Handel designs. It is in excellent condition yet retaining the patina which you would expect of a genuine Handel piece or this era. It has just been rewired by a fully qualified electrician so is ready for immediate use. This is a beautiful genuine piece and not to be confused with reproductions.
