Description

A super quality rare novelty English solid sterling silver napkin ring. It is hallmarked for Birmingham 1928 with the maker's marks being WB&S. It has been superbly designed being cast in the form of a horse shoe. It is in super condition being free from dings splits holes and repairs. You do see similar ones but they are often later, this earlier example is far more scarce. It measures almost 2.25 inches (5.6cms) by 2 inches (5cms) and weighs 20 grams. A nice quality rare example.
