Description

A stunning Swedish solid silver table trinket box or tea caddy. It is hallmarked with the Swedish 830 standard mark and the three crowns national mark. I would date it to c1920. It has been beautifully designed having a cast rose finial to the lid. It is superb condition being free from dings splits distortions and repairs. It measures approx. 4.25 inches (11cms) long by 3 inches (7.5cms) wide by 2.5 inches (6.3cms) tall to the top of the finial and it weighs 128 grams. A very well made stunning piece.
