Inlaid mahogany musical clock.

Price

GBP 3,850

| USD \$5,200 | EUR 4,503

Item Reference: SA892776

Date of manufacture: 1890

Description

Here I have an inlaid exhibition quality mahogany musical clock in wonderful working condition. The clock plays Westminster chimes on 5 long tube gongs, it is driven by 3 brass weights, the works have been fully restored and the clock works perfectly. The case is mahogany and is inlaid, the base has an inlaid panel, and the hood has a swan neck arch with a brass finial, and brass Corinthian columns. it stands 7 feet 11 inches tall, 20 inches wide, and 13 inches deep. Circa 1890/1900.
