Description

A magnificent pair of antique Swedish leather club armchairs. These were recently imported from Sweden, they date from around the 1900-1910 period. The quality is outstanding, these have large and impressive proportions, they are extremely comfortable. The leather is a light tan colour, and has acquired a gorgeous patina. There is some light wear and surface marks to be seen throughout, with no rips or tears. They sit on beautifully shaped solid oak legs. We have had this recently revived and hand coloured by our leather restorer, they are in beautiful condition throughout.
