Description

A beautiful original antique French Gueridon table, dating from around the 1830's period. It is of superb quality, with a stunning original grey marble top and mahogany base. The marble top has a moulded edge, it is very thick and well made. The top is supported by a circular mahogany frieze which has a lovely beaded edge. This is supported by a thick fluted baluster column, which in turn sits on a finely carved mahogany tripod base. The legs are also beautifully carved with fine details and paw feet, which sit on original brass casters. The condition is excellent for its age, we have just had the mahogany base fully re-polished. The marble top is in excellent condition, with no damage to be seen. Width - 36 inches , 90 cm Depth - 36 inches , 90 cm Height - 31 inches , 78 cm
