Description

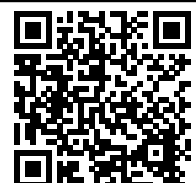

A stunning and extremely well made original Art Deco burr walnut wardrobe. This was made in England, it dates from the 1920-30's. The quality is outstanding, this is very heavy and solidly built. The burr walnut veneers are gorgeous throughout, they are nicely offset by rosewood cross banding on the base and cornice. There is lots of storage space inside, with a hanging rail, drawers and glass fronted compartments. The doors have the original ivory coloured Bakelite handles, which are a lovely feature. We have had this stripped and re-polished to a very high standard, the condition is superb throughout. It comes apart in three pieces for ease of transport. We also have the matching dressing table, stool, three drawer wardrobe and bedside cabinet available separately, seen listed under our other items for sale.
