Sold**Item Reference: SA892904****Date of manufacture: 1910**

Description

Antique Omega pocket watch and chain. The watch has a Swiss stem-winding movement, identified as Omega, which is working nicely. The movement is protected by an inner hinged cover. The watch measures 50mm diameter excluding the winding stem and the loop. The case is gold filled and it is in lovely condition. The watch glass is in very nice condition. The dial is signed with the name of the original retailers, Millard, Dolphin Street, Bristol. The dial is in very nice condition with blued steel hands, a subsidiary seconds dial and an outer minute track. The watch comes with a single gold plated chain, 37cm long including the clasps. The chain is very unusual, it has the name Jim Viner worked into it. The watch and chain come in a new presentation box.
