Description

A wonderful set of six solid mahogany Regency period dining chairs with cane rattan seats. These were made in England, they date from around 1815-1830. They are something of a harlequin set, consisting of four identical chairs and a pair of very similar but slightly different chairs. They are all of super quality, with beautifully carved solid mahogany frames. The rattan seats are all in super condition & they are probably original, if not then they were re-done a very long time ago. We have had these recently re-polished, the condition is excellent for their age. There are various small indentations and marks beneath the polish, they have acquired a gorgeous patina over the years. 4 Chairs: Width – 18 inches , 46 cm Depth – 19 inches , 49 cm Height – 33 inches , 84 cm 2 Chairs: Width – 17 inches , 44 cm Depth – 19 inches , 49 cm Height – 32 inches , 81 cm Seat height – 17 inches , 44 cm
