Description

A top quality pair of novelty Japanese solid sterling silver salt and pepper pots. They are hallmarked STERLING 950 and would have been made in Japan during the early 20th century. They have been superbly made in the form of traditional shoes. They are superb condition being free from dings splits distortions and repairs. They measure approx. 2 inches (5cms) long by over 1.25 inches (3cms) across and have a combined weight of 34 grams. Very unusual examples.

Internal Ref: 25052
