Dimensions

Height = 30 cm (11.8")

Width = 25 cm (9.8")

Depth = 5 cm (2.0")

Description

An absolutely delightful old oval cut diamond engagement ring. The beautifully proportion central diamond – graded by HRD Antwerp as G colour, VS2 clarity – is dazzlingly white and bright and, unlike modern oval cuts, isn't afflicted by the dreaded "bow-tie" effect. The diamond is secured in a four claw platinum collet with an open gallery, allowing maximum light to pass through the stone. The yellow gold spear-shaped shoulders are set with six (three each side) eight-cut diamonds of graduating size, to a slim yellow gold shank. Accompanied by a Natural Diamond Grading Report from HRD Antwerp (#210000182425). Cut – Oval shaped old cut mine cut in the centre. The diamonds in the shoulders are eight-cuts. Colour – G in the centre. The diamonds in the shoulders are F to G. Clarity – VS2 in the centre. The diamonds in the shoulders are VS1 to VS2. Carat – 0.75 in the centre, with approximately 0.07 carat in the shoulders. Circa – 1930. Size – N 1/2 (UK) or 6.75 (US). Complimentary sizing is available, can be sized up or down. Measurements – The diamond is 6.03 x 4.85mm. Sits 6.4mm from the finger. Metal – 18k yellow gold and platinum. Tested.
