Price

Sold**Item Reference: SA89336****Date of manufacture: 19th Century**

Description

A 19th century Giltwood and Needlepoint Fire Screen in the Rococo taste. It is in original condition with only a small tear to the backing material. The needle point pattern is of a bouquet of flowers. The gilt paintwork is also in original condition so has plenty of nicks and scrapes but this is an excellent interiors piece. Dimensions are max. 40 ins tall and max 24 ins wide.
