Description

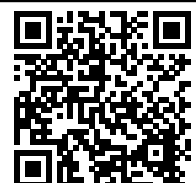

A small and charming antique Georgian solid mahogany open bookcase. This was made in England, it dates from around the 1800-1820 period. It is a very useful size, low enough to be used as a side / console table with plenty of useful storage space. It sits on a plinth base and has two removable / adjustable shelves. This appears to be completely original, it has lots of patina and plenty of character. We have recently had this re-polished, it is in lovely condition for its age. There are various small marks and indentations here and there, as you would expect from a 200 year old item of furniture. Width – 37 inches , 94 cm Depth – 10 inches , 25 cm Height – 29 inches , 73 cm
