Description

The soft, amphora coloured ground of pinkish brown is one of the best decorative colours in an antique carpet- it works so well as a back drop for so many other colours, it gives you the widest choice possible for complementary soft furnishings, from your curtains to your sofas. This lovely antique carpet has also a deliciously large and well flowing design of blooming flowers interspersed with elegant vines and leaves, in cream, pale gold and soft green. The slatey-blue main border continues the theme of understated elegance in this fabulous rug. In very good condition, showing light wear, and ready for your floor. 10'4" x 14'0"
