Description

A stunning original Art Deco period octagonal coffee table. This was made in England, it dates from the 1930's. The quality is amazing, this is a very impressive item and is a great size. The top has very thick edges and beautiful burl walnut grain patterns. The legs and stretchered base also have thick edges and are finished in lovely figured walnut. This has a wonderful colour tone and patina, we have had it stripped and re-polished to a very high standard. The condition is absolutely amazing for its age.
