Description

Antique Waltham pocket watch, 1917. The watch has a seven jewel stem-winding movement, grade 610, which is working nicely. The movement has nicely patterned plates, and a Breguet hairspring for enhanced precision. The movement is fully signed and the serial number, 21733434 which dates it back to 1917. The movement is protected by an inner hinged cover which has several light scratches to the upper edge from where it has been opened in the past. The watch measures 50.6mm diameter excluding the winding stem and the loop. The case is gold plated and is the Star model made by the Dennison Watch Case Company. The case is in good condition, just minor marking from use. The glass lens is in lovely condition. The signed dial is in n ice condition. The watch has its original blued steel hands. The watch comes in a new presentation box.
