Description

An attractive 19th century antique Welsh oak linen press cupboard. To the top of the antique Welsh oak linen press is a two door blind panel cupboard, flanked by reeded pilasters, with a moulded cornice above. The cupboard doors open to reveal a spacious interior, consisting of one half shelf to the top, and a full length shelf to the middle. To the base of the antique Welsh oak linen press is an arrangement of two short over two long drawers, each with wooden knobs. Raised on bracket feet. Separates into two parts for ease of transport/movement. Item Ref; M-2021 . DIMENSIONS: Height – 185.5cm / Width – 125cm / Depth – 57cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks and scratches to the front, and interior shelves (pictured). There has been an honest repair to the top corner, and new panels added to the back corners of the base and feet (pictured). There are losses to the back corner at the mid section (pictured) due to historic woodworm, however this is now long gone and has been fully treated as a precaution. The Welsh oak linen press remains structurally solid and sound.
