Description

An unusual and interesting early 20th century antique carved oak side table. The carved oak side table has a peculiar shaped top with decorative carved detail throughout. The table is raised on four turned upright supports with a carved under tier shelf to the base. A neat antique side table of unusual design. Item Ref; M-3880 . DIMENSIONS: Height - 74.5cm / Width - 91cm / Depth - 59cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks to the surface top and under tier shelf (pictured). There are some splits to the underside of the table and some minor losses to one end. The table remains structurally sound. Finished with a fresh coat of natural wax. A good decorative piece. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item. .
