Description

Gents 1923 Helvetia wrist watch, lovely condition. The watch has a good quality Swiss movement which is working nicely. The movement has 15 jewels, 3 adjustments and a perlée finish to the plates, a nice sign of quality. The watch measures 33mm diameter excluding the winding crown and the fixed wire lugs. The case is gold plated and it is in beautiful condition, original winding crown. The lens has a small 2mm mark but otherwise is in lovely condition. The dial is in lovely condition with original Breguet style hands with a blue steel finish, a subsidiary seconds dial and an outer minute track. A later leather strap has been fitted. The watch comes in an antique presentation box.
