Description

Norwegian solid silver serving tongs. They have been hallmarked with the Norwegian 830S standard mark along with the makers mark Magnus Aase who operated in Bergen from 1876 to 1953. They have been superbly made and are in superb condition being free from dings splits and repairs (all silver). They measure approx. 8.25 inches (21cms) long by 3 inches (7.6cms) across the handles and weigh 68 grams. Very good quality examples.
