Description

A wonderful antique Victorian cabinet in mahogany. This was made in England & dates from around the 1850's period. The quality is fantastic, this is really well made from solid mahogany with some mahogany cross banding. The original brass handles are also of fine quality, the drawer is solid oak lined with hand cut dovetailed joints. It has a beaded top & sits on bold turned bun feet. This is a very useful size, larger than it looks, with a small footprint and lots of storage space. We have recently had this re-polished, the condition is excellent for its age. Width – 18 inches , 46 cm Depth – 17 inches , 44 cm Height – 35 inches , 90 cm
