Description

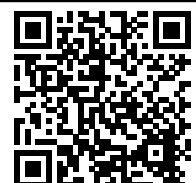

A neat 19th century antique mahogany folding card table. The antique card table acts as a side table with a rectangular shaped top when closed, when extended the hinged top then opens to create a larger square green baize table top, with the fold over piece being supported by a gateleg. The antique card table is raised on four square legs. An interesting and fun piece of 19th century antique furniture. Item Ref; M-3874 . DIMENSIONS: Height - 71cm / Width - 91.5cm / Depth - 45cm / Depth Extended - 90cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related scratches and marks to the fold over top (pictured), and minor losses to the fret work (pictured). The antique card table remains structurally intact, with the gateleg working well. The hinges appear to have been changed and there is some movement near the hinges. Overall, a good example of its kind. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition ...
