Description

Antique Victorian Copper Tray Serving Platter. A useful antiquity. We bring to you this excellent condition antique Edwardian (circa 1890's) sold copper serving tray. The simple but elegant tray features a floral decorative etched/stamped design to the inner base. The tray has a rolled edge and is in very good original condition. Perfect for serving wine, this tray looks amazing with its beautiful highly polished copper finish suitable and ready for any home or even restaurant/bar. We have restored this item by highly polishing the copper and brass and added jade oil to resist tarnishing. Please note this item is in very good condition for its age but will have the odd blemish here and there, as expected with an item of this age. However, we feel that these points are which adds to the charm of the item with it being an antique. Items placed on or around this item are not included in the sale
