Description

This is an extremely fine quality English 19th century burr walnut two door cabinet with its original mirror back and also a 3/4 gallery to the top rail with very crisp cast solid brass capitals to the turned columns. Beautifully restored and the burr walnut colour tone is now as it was intended after years of being hidden beneath years of over waxing. The burr walnut is book matched to the doors and also to the main surface too. There are two shelves inside the cupboard and also the base, so you have three full width areas for storage. Measuring: 56 1/2" or 143.5cm total height 48 1/2" or 123cm wide 16" or 41cm deep
