Description

This is a very elegant English country house late 19th century open armed chair. The size is ideal for everyday use but isn't so large that it would take over a space. It stands of tall turned legs capped with bakelite casters. The back right leg has had a repair but this is structurally sound and perfectly useable. Height 80cm Width 69cm Depth 79cm Depth of seat 54cm Height of seat 38cm (On my website) If you would like this armchair upholstered please click yes in the upholstery drop down menu. This would require 3 metres of material. You can supply your own or please browse our collections under the material section. All my antique armchairs have been fully restored, springs, legs, padding etc so these will stand the test of time even if used everyday. Price includes UK mainland delivery
