Description

An attractive Georgian antique oak chest of drawers. The straight front antique oak chest of drawers has an arrangement of two short over three long graduating drawers, each with brass drop handles. The top two drawers have hidden locks, you can unlock them by opening the drawer below and pushing up on the central wooden strip. Raised on four bracket feet. Brilliant patina and colour throughout. Item Ref; M-3913 . DIMENSIONS: Height – 87cm / Width – 91cm / Depth – 50.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and stains to the top (pictured), and shrinkage to the sides (pictured), also further marks to the drawer fronts (pictured). There is evidence of historic woodworm, however this is now long gone and has been fully treated as a precaution. The antique oak chest of drawers remains structurally solid and sound, with the drawers running well. Overall, a good example of Georgian furniture.
