Antique Edwardian Sterling Silver & Horn "Gimbal Lighter"

Price

Sold**Item Reference: SA894371****Date of manufacture: 1900**

Description

An antique Edwardian sterling silver and horn table lighter which has a long handle in the form of a horn, a silver ball shaped oil reservoir to house the fuel, a Gimbal mechanism to ensure the flame remains in an upright position and resting on two silver feet. This stylish and unusual table lighter would look decorative when displayed and would be practical to use. Height: 7.3 cms (2.9") Length: 41.5 cms (16.3") Width: 8.5 cms (3.3") It was hallmarked in London for 1907 by Joseph Braham and remains in excellent condition. Complimentary postage is included within the price of this Gimbal lighter.

Internal Ref: 5765
