## Description

Superb sterling silver sugar tongs or nips. They are hallmarked STERLING DENMARK along with the makers mark of Georg Jensen, this mark was used between 1933 and 1944. They have been beautifully made to what is termed Blossom Pattern (Magnolie). They are in superb condition being free from dings splits and repairs, highly sprung. It measures approx. 4 inches (10cms) long by 1.75 inches (4.5cms) wide and weigh 22 grams. Very well made examples.

Internal Ref: 27320
