Depth = 18 cm (7.1")

Description

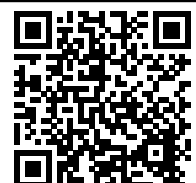

19th century bronze group circa 1870, depicting Cupid restraining his companion from reaching for a fallen rose and flaming heart. An interesting and amusing group with an exceptionally fine patina. This interesting study of a tender moment is in exceptionally fine original condition with no over cleaning areas, scratches or abrasions. Having a particularly fine colour, this group would make a fine addition to a collection or simply as a decorative conversation piece in a fine home.

Internal Ref: 1244
