Description

This fabulous antique piece started life as a brooch but has been converted to a pendant. Formed of solid silver set with two gleaming garnets and a baroque pearl dangle, we believe it to originate from France in the early 1800s, with a later cultured pearl. In very good antique condition; the central figure has worn over the years, particularly on the nose, but the silver detail is fantastically crisp, the gems are intact and the pearl has a lovely shining nacre. Size: Approx 4.7cm total drop, the pendant measures around 4.4cm across. Weight: 9.4g. FREE INTERNATIONAL SHIPPING!
