Description

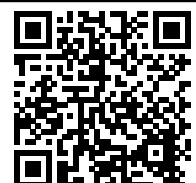

A gorgeous antique walnut cocktail cabinet in the Queen Anne style. This was made in England, it dates from the 1920-30's. This is of amazing quality, and is quite petite in size. There are stunning figured walnut grain patterns, offset by high quality pierced brass mounts. The base has amazing floral carving and acanthus leaf knees. The interior is sycamore lined, with glass shelves and a mirrored pull out serving slide. We have recently had this re-polished, it is in excellent condition with a beautiful colour and patina. Please enlarge all the images. Check out the fluted bun feet at the bottom of the legs. The attention to detail is amazing.
